An introduction to VALIC

VALIC has more than half a century of experience in helping Americans plan for and enjoy a secure retirement. We have the experience and resources to help you accumulate funds for a secure retirement, and to help you manage those funds effectively throughout retirement. We manage long-term investment programs for more than 25,000 organizations and our experienced financial advisors provide the highest level of personalized, face-to-face service.

We specialize in providing tax-qualified retirement programs and today we are the third-largest retirement plan provider to employees of major colleges and universities across the nation.

Financial strength

The Variable Annuity Life Insurance Company receives some of the highest ratings from the four major independent industry analysts. These ratings apply to our financial stability, not to the safety or the performance of the variable investment options. Guarantees are backed by the claims-paying ability of The Variable Annuity Life Insurance Company.

Commitment to personal service

One of the features that most sets us apart is our long-time commitment to face-to-face service. Our priority commitment is to inform, educate and help you enroll in your employer's retirement plan.
